Subject: RE: Dr. Butz

Brett,

Thanks for the call. I think that the modifications we discussed in the MOA will alleviate our concerns with the Authorization. We will turn a redline and clean version of the MOA around early next week.

On the testing front, Dr. Bone cannot tell if Dr. Butz is proposing a battery of neuropsychological tests for each Plaintiff. Can you get clarification on this from Dr. Butz please.

Thanks,

Ryan R. Shaffer

Subject: Dr. Butz

Hey Brett,

Katy Gannon and I have been talking about Dr. Butz's Authorization. Given that he is going to be a signatory to the MOA, there may be a way to work with his proposed Authorization. There are still probably a couple non-starters, like the fee clause that would require my clients to pay Aspen's bill if the Brown firm does not... but that should not be controversial.

Give me a ring and maybe we can work through it.

Thanks,

Ryan R. Shaffer
